

# Loup Denver Railport

The Loup Denver Railport has access to I-25 and 70. The facility is insured to handle hazardous or environmentally sensitive commodities with pre-approval.

The facility has 32 rail car spots and nine acres available for outdoor storage. With switching five days per week and a local inventory system for your storage needs, we have the capacity—and the reporting capabilities—to handle your products.

To get started on your solution, contact your Union Pacific or Loup sales representative, call 800-303-4544 option 1 or visit [LoupLogistics.com](http://LoupLogistics.com).
