

# Greenville Yard

Carfloat Route

65<sup>th</sup> Street Rail Yard

## NEW RAIL TRANSLOAD & STORAGE IN THE HEART OF BROOKLYN

### WHERE WE ARE

Located at the 65th Street Railyard by the Brooklyn Army Terminal with 24/7 security. Easy access to truck routes serving industrial zones in New York City and Nassau County.

### WHAT WE DO

Specialize in transload and trucking for dry and liquid bulk freight. Space for expansion and scalable operations mean potential for both immediate and long-term growth.

### DUAL RAIL ACCESS

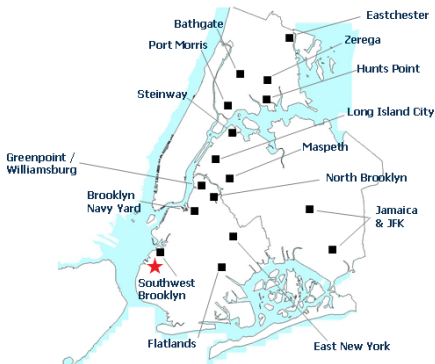

- CSX and NS rail service via Conrail
- NYNJ Rail Greenville Yard interchange
- 3 new Tier 4i SE10B locomotives
- Over \$100 million in upgrades

### LESS CIRCUITOUS ROUTE

- 2 new high capacity carfloats
- 18 railcars per float (=72 trucks)
- 4-mile trip takes just 45 minutes
- Transfer Bridge at Greenville Yard

### TRANSLOAD & STORAGE

- 5 DOW service, multiple times per day
- 3,000' of transload track
- 5,000' of storage track
- 15 acres of outdoor storage
